Resource: Trainer's and assessor's guide

Update: Version 1.3 updated to Version 1.4

Affected page: 90

Use the attached page to update the affected document.

Solution 11

Beryl should have identified the potential breach of confidentiality.

Assessor comments:

Solution 12

- Beryl breached confidentiality by allowing Frederick to give his father the address of the refuge.
- Beryl breached WHS and duty of care to all who are in the residence by not telling her supervisor about the incident immediately.

Assessor comments:

Solution 13

Responses may include two of the following:

- ACWA Code of Ethics
- AASW Code of Ethics
- ACWA Community Work Practice Standards
- Organisational code of conduct

Assessor comments:

Solution 14

Responses may include two of the following:

- The requirement to support her in making informed decisions about her life
- Providing Imogen with information about all the options open to her and their possible consequences
- Providing impartial, non-judgmental support that does not influence Imogen to choose a particular course of action
