Read the case study, then answer the questions that follow.

Case study (questions 1–6)

Due to government funding cuts, many child protection notifications go unallocated and many caseworkers in the child protection system feel overwhelmed by their caseloads. Mary supervises a diverse team of child protection workers. Her organisation has had a high turnover of staff recently and she wants to assist them to manage their stress.

CS Question 1	Identify two physical and two behavioural indicators of significant issues relating to stress and emotional wellbeing that Mary should be alert for in individual team members.
