2. The parent information sheet may include how many times of day a child normally sleeps, the comforters they like to take to bed, whether they use or need a dummy or bottle and the length of their sleep times. This is in line with *The Guide to the National Quality Standard*, Element 2.1.1, which states: 'Each child's wellbeing and comfort is provided for, including appropriate opportunities to meet each child's need for sleep, rest and relaxation'.
